The Company has applied to the Listing Committee for the granting of the approval for the listing of, and permission to deal in, the Shares in issue and any Shares to be issued pursuant to the Capitalisation Issue and the Share Offer (including the Shares which may be issued pursuant to the exercise of the Over-allotment Option). Assuming the Public Offer becomes unconditional at or before 8:00 a.m. on Tuesday, 29 September 2020, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on Tuesday, 29 September 2020.

The Share Offer comprises the Public Offer of initially 40,000,000 Shares (subject to reallocation), representing 10% of the total number of the Offer Shares available under the Share Offer, and the Placing of initially 360,000,000 Shares (subject to reallocation and the Over-allotment Option), representing 90% of the total number of the Offer Shares available under the Share Offer. The Public Offer is fully underwritten by the Public Offer Underwriters on a conditional basis. The Placing is expected to be fully underwritten by the Placing Underwriters. The Public Offer Underwriters shall be entitled to terminate the Public Offer Underwriting Agreement with immediate effect upon occurrence of any of the events set forth under the section headed “Underwriting – Underwriting arrangements and expenses – The Public Offer – Grounds for termination” in the Prospectus at any time prior to 8:00 a.m. on the Listing Date. In the event that the conditions of the Share Offer are not fulfilled or waived by the Underwriters on or before the dates and times specified in the respective Underwriting Agreements, the Share Offer will lapse and the Stock Exchange will be notified immediately. The Company will cause a notice of the lapse of the Public Offer to be published on the websites of the Company at **www.skymission.group** and the Stock Exchange at **www.hkexnews.hk** on the next day following such lapse. In such event, all application monies will be returned, without interest, on the terms set out in the section headed “How to apply for the Public Offer Shares” in the Prospectus.

The allocation of the Offer Shares between the Public Offer and the Placing will be subject to reallocation as described in the section headed “Structure and conditions of the Share Offer” in the Prospectus. In accordance with Guidance Letter HKEx-GL91-18 issued by the Stock Exchange, if such reallocation is done other than pursuant to Practice Note 18 of the Listing Rules, the maximum total number of Offer Shares that may be reallocated to the Public Offer following such reallocation shall be not more than double the initial allocation to the Public Offer (i.e. up to a maximum of 80,000,000 Offer Shares), and the final Offer Price shall be fixed at the low-end of the indicative range of the Offer Price (i.e. HK\$0.35 per Offer Share) stated in the Prospectus.

In connection with the Share Offer, the Company is expected to grant the Over-allotment Option to the Placing Underwriters, exercisable by the Placing Underwriters at any time from the Listing Date until 30 days after the last day for the lodging of applications under the Public Offer (i.e. on or before Sunday, 18 October 2020), to require the Company to allot and issue up to 60,000,000 additional new Shares, representing 15% of the number of Offer Shares initially available under the Share Offer, at the Offer Price to cover over-allocations in the Placing and/or the obligation of the Stabilising Manager to return securities

borrowed under the Stock Borrowing Agreement. In the event the Over-allotment Option is exercised, an announcement will be made by the Company on the websites of the Company at **www.skymission.group** and the Stock Exchange at **www.hkexnews.hk**.

Subject to the granting of the approval for listing of, and permission to deal in, the Shares on the Stock Exchange and compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the Listing Date or such other date as may be determined by HKSCC. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second business day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements have been made to enable the Shares to be admitted into CCASS. Investors should seek advice of their stockbrokers or other professional advisers for details of the settlement arrangement as such arrangements may affect their rights and interests.

The Offer Price will not be more than HK\$0.44 per Offer Share and is currently expected to be not less than HK\$0.35 per Offer Share, unless otherwise announced. Investors applying for the Public Offer Shares are required to pay, upon application, the maximum Offer Price of HK\$0.44 per Offer Share together with brokerage of 1%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%, in full. If the Offer Price as finally determined is less than HK\$0.44 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in the section headed “How to apply for the Public Offer Shares” in the Prospectus.
